Instructions: Most of the NJ participants are out of school, some even retired! This introduction sheet was created primarily with our young Kenyan friends in mind. The inspiration for this sheet was originally full of sketching/drawing opportunities and cartoonish images, as well as questions that would not apply or be familiar to our Pen Pals. We encourage you to answer the questions and add your own creative touches to your letters (i.e., sketches, doodles, stickers, etc. and anything else you would like to add to the envelope).

Once you've filled out this sheet, drop it off at the library where it will be scanned and sent via email to Kenya. The paper letters will be collected and sent snail mail to Kenya and vice versa so that we can experience the time delay as well as the different paper, ink and stamps from our Pen Pals.

If you have any questions, concerns, or ideas, please contact the library. We are really excited to be able to facilitate this international exchange – Library to Library.

NJ participants are encouraged to visit the Kiwimbi website (www.kiwimbi.org) or their YouTube channel to see videos describing the programs offered [YouTube - Kiwimbi](#)
